

Amendment No.1,

Date 23/07/2019

**Amendment of Bidding Documents
for
Citizen Centric Service Delivery Project
AL-8521**

***Title: Procurement of “Refurbishing and furniture of the Integrated Citizen Service Center of Lushnje in Albania”
Ref. No. AL-8521/CW/NCB/2.01.04***

- 1. We refer to original bidding documents for “Refurbishing and furniture of the Integrated Citizen Service Center of Lushnje in Albania”; Ref. No. AL-8521/CW/NCB/2.01.04**
- 2. Agency for Delivery of Integrated Services in Albania (ADISA).through PMU- CCSDP hereby amends the Bidding Documents, as below:**

In to the original bidding documents it was:

**Section III - Evaluation and Qualification Criteria
Original point 5. personnel**

| No. | Position | Total Work Experience (years) | In Similar Works Experience (years) |
|------------|-----------------|--------------------------------------|--|
|------------|-----------------|--------------------------------------|--|

| | | | |
|---|--------------------------|---|---|
| 1 | Structural engineer | 7 | 5 |
| 2 | Environmental engineer | 7 | 5 |
| 3 | Hydro technical engineer | 7 | 5 |
| 4 | Topographer engineer | 5 | 3 |
| 5 | Mechanical engineer | 5 | 3 |
| 6 | Electrical engineer | 5 | 3 |
| 7 | Architect | 5 | 3 |
| 8 | Electronical engineer | 5 | 3 |
| 9 | Geologist engineer | 5 | 3 |

The staff above must be technical director in the company's license and must be documented in the paying lists of social securities at least the three last months prior the bid opening.

After amendment it becomes:

Section III - Evaluation and Qualification Criteria

Amended point 5. personnel

| No. | Position | Total Work Experience (years) | In Similar Works Experience (years) |
|------------|-----------------|--------------------------------------|--|
|------------|-----------------|--------------------------------------|--|

| | | | |
|----------|------------------------------|----------|----------|
| 1 | Structural engineer | 7 | 5 |
| 2 | Environmental engineer | 7 | 5 |
| 3 | Hydro technical engineer | 7 | 5 |
| 4 | Topographer engineer | 5 | 3 |
| 5 | Mechanical engineer | 5 | 3 |
| 6 | Electrical engineer | 5 | 3 |
| 7 | Architect | 5 | 3 |
| 8 | Electronical engineer | 5 | 3 |
| 9 | Geologist engineer | 5 | 3 |

The staff above, except **Electronical engineer**, must be technical director in the company's license and must be documented in the paying lists of social securities at least the three last months prior the bid opening.

The **Electronical engineer** must be as part of key staff with the experience as per set forth to both tables.

All other requirements as well as other provisions in Bidding Documents remain unchanged.
